1	My church home is in this area!!!	2/20/2019 5:56 PM
2	We need a hospital on this area and a minor emergency center. More police patrol as we have many reported thefts and cars vandalized.	2/15/2019 6:28 PM
3	This area used to be so vibrant but as the off-base areas have aged, they have not done so gracefully.	2/15/2019 1:49 AM
4	this corridor needs a desparate upgrade. parks, businesses, affordable housing, infrastructure is in need of repair. the neighborhoods need to come together and become one with a plan to revitalize this area. This could be the next Brooks City Base corridor. If you did it there, you can do it here. We need the military involved, it would be a shame to plan without their input or leave them out of the equation and watch them leave because of poor planning. We cannot lose Lackland AFB!!!	2/11/2019 11:19 PM
5	Education development and ministry partnership!	2/9/2019 9:39 PM
6	I believe in reconnecting the community directly east across the tracks towards Quintana Road would greatly improve access the the now civilian Kelly. Turn the Union Pacific RR yard into a park with an outdoor culture venue.	2/9/2019 4:57 AM
7	Not everyone has access to the internet. Stakeholders in/around the area that do not have access to the internet should be included. Diligent efforts should be made to include the voices of these stakeholders. More so using equity as a guiding principle, ensure that ALL appropriate voices are represented proportionally.	2/4/2019 10:02 PM
8	Preserve historical areas in former Kelly AFB areas	1/30/2019 12:33 AM
9	Rey Saldana has been heaven sent. We need another Rey when he's out of office.	1/30/2019 12:33 AM
10	No displacement in the surrounding neighborhoods	1/29/2019 9:22 PM
11	I support Port SA being developed into a catalytic site. Because of areas rich military history, I'd recommend adopting a Military City USA theme for the overall area and promote greater military collaboration. I believe we need to connect current proposed greenway trail to larger trail system. I advocate for more ministry / community/ neighborhood collaboration and advanced child/youth/family educational and recreational options for the area.	1/29/2019 4:52 PM
12	This area as you know was KellyAFB. Port of SA has very few employers in this area. It should generate more jobs, affordable housing and a place for people to shop in the area. Also a hospital is missing in the area. It would be nice to see this area flourish like the Pearl or Broadway.	1/29/2019 3:53 PM
